ATTENTION: Mrs. Tracy Barker
Legal Division Deputy General Counsel
Advisory Counsel
Louisiana Board of Ethics

Dear Mrs. Barker and Advisory Opinion Counsel:

I am seeking your guidance regarding my future employment status for the Calcasieu Parish School Board. I am currently a certified classroom teacher for the Calcasieu Parish School System and am serving as a classroom teacher at SJ Welsh Middle School. My father, Pastor Alvin D. Smith, is currently serving as an elected member of the Calcasieu Parish School Board.

I hold certifications as both a classroom teacher and School Administrator through Louisiana Department of Education.

My future with the Calcasieu Parish School System (CPSB) is uncertain at best; I am therefore seeking an advisory opinion from this Council to assist me in my future decision making. The answer or advisory opinion on the following questions will be of great assistance.

Questions:

1. I am currently a certified classroom teacher for CPSB. My father is a school board member for CPSB. I am certified for both the classroom and for administration. How long must I be a classroom teacher, while my father is a CPSB board member, before I can apply for Administrative Positions?
Reference: RS 42:1119 — Nepotism (a)(i) and (v)
2. As a certified classroom teacher, can I hold the position of a coordinator? (Example Title One Coordinator or Curriculum Coordinator)
3. How long must I be a classroom teacher before applying for an Administrative Intern position within the parish?
4. After being a classroom teacher and then being promoted to an administrative position, can I hold an administrative position within my father's district? I am currently in District 8 and my father is in District 10. There are currently 15 districts within our parish of CPSB.
